

Poem

My dad

You are the phone that lights up my day
The jokes that make me laugh
You are the dad I love
The food I would not half

You are the clothes that cover me up
The guy brighter than green
You are the shoes on my feet
The fart from all the beans

You are the movie that I would watch
The Pho that I would eat
You are the legs that walk me
The one who doesn't beat

You are one who loves the family
The smell of Dêm Sum
You are beautiful like Spring rolls
The Mike that isn't dumb

You are my Dad.
